

Dear

This year I have a special gift for you that I hid! I want you to go on an adventure to discover where I hid your special gift. Search for LETTERS written on colorful wood medallions that you come across in the area listed below. Once you find all the letters you will discover a secret message that leads you to the location of your Easter treat. Have fun hunting for letters and Happy Easter!

Love,
The Easter Bunny

LOCATION OF THE LETTERS:-----

P.S. I hid the clues high and low, but never on stranger's properties. Stick to common areas and stay safe.
